Dear Mr Neville

I write to express my sincere thanks for your contribution to the Goodna Flood Recovery Concert and BBQ on Sunday 20<sup>th</sup> February.

The devastation to homes and business in our region and the recovery process is one that local people need not face alone because of your help. The selflessness and courage of emergency Services, defence personnel, volunteers, neighbours and even strangers so willing to lend a hand has been inspiring.

This Concert and BBQ had a lot of meaning not only to the volunteers but to the residents. It gave them the opportunity to gather with others that have also endured devastation, loss and heartbreak and catch up with those that have assisted them in the clean up. It was also just a great afternoon of fantastic entertainment enjoyed by all.

Your support for this event is greatly appreciated, your generosity really does characterise who we are as Australians and the way we help each other in times of crisis. It really is a true reflection of the Australian spirit.

Thank you again for your contribution in making the Concert and BBQ a success and providing the volunteers and residents with a great day out.

Yours Sincerely

**BERNIE RIPOLL**
